THE HISTORY OF SHILOH CHURCH OF CHRIST FROM 1896 – 1964

In 1896 the community built a church on Jackson Highway for all denominations.

In 1900 W. M. Behel began a meeting there and preached one night. The Methodist rejected.

In 1901 Brother Pew House told the men of the community that he had a goat barn that could be used for church. So the men of the community went to the woods and sawed blocks and put planks on them for seats. W. M. Behel held ten meetings at night in the goat barn. We had about thirty baptisms. During this time, Brother House still angry about the Tabernacle church, started down the road with his ax. Brother Pink Dial met him, and asked where he was going with his ax. Brother House said, "I put the south side of the church on, and I am going to tear it down." Brother Dial told him that, that wouldn't do. So Brother House went back home.

HERMAN BUTLER
In The "60's"

In 1902 brother W. M. Behel held another meeting in a "bush-harbor" on the ground where Shiloh now stands. After that they decided to build a church. Brother Pew House gave the ground. Brother Tom LeFan, Brother Pew House, Brother Tommy Jaynes, and W. M. Butler built it. During this time Shiloh was named. The people of the community said it couldn't be done. But by the help of the community, the church was built.

My father made the benches to go in it. We used them until about 1943. In 1912 I was married to the former Emma Williams. She was already a member of the church.

In 1913 our first child was born. To date we have eight living children. One deceased. Nineteen grandchildren. Two deceased. Two great-grandchildren. In 1915 I became a member of the church. Baptized by W. M. Behel, in Cowpen Creek. At that time the church was weak. Brother Dolph Richardson and I were the only men that attended regularly. There would be about thirty present. Brother Henry Standford did the teaching at that time. He quit and went to Lone Cedar. There wasn't a service at Shiloh for about a year. Sister Jane House came to me and asked me to begin worship at Shiloh. By her help, Sister Ethel Richardson, and Brother Richardson began worship there again. In 1920 after we began worship, they appointed me elder. The number had begun to increase by then. The contribution would average \$3.00 a Sunday. Sister Ethel Richardson served as treasurer and was a good one. And at that time she would have to lead the singing. Later on brother Jake Thompson was appointed elder and was active. Near this time brother Vernon Johns (now an elder) became a member at Shiloh. He would ride a mule about six miles to worship. Most of the time he would bring his family in a wagon to worship with us.

During this time we had a meeting by brother E. O. Coffmon. We had it out in the open. We were short of seats so Mr. Archie Ray, a deacon in the Methodist church told me to go to the Tabernacle and get all the benches I needed. Brother Kelsey Thompson and I took the wagon, and began loading them. Mr. Hugh

Lee Burgess came to the church building and made us put the benches back. We started back home without them. On the way home we met Mr. Ray. He asked us if we got the benches. We told him no. that Mr. Burgess made us put them back. Mr. Ray told us to turn around and go back and he would go with us to get them. While we were loading them (for the second time) Mr. Hugh Lee came back. He called Mr. Ray down to the road to talk with him. We couldn't understand what they were saying but I did hear Mr. Ray say, "You haven't got anything to do with it." You haven't paid the preacher a dollar in 10 years." So we used the benches during the meeting. Then carried them back. Mr. Ray was a Methodist, but a good man.

After the meeting we began to grow in number. In 1930 Brother John Cruce held a meeting at Shiloh. He baptized about 40 persons. Some of these still attend Shiloh. By the results of that meeting Brother Cruce got a job working with a congregation in Florida. By this time we had grown considerably in number. Brother Jeff Wright began worshipping there, assisting me in teaching. In 1932 I moved near the church.

In 1933 a cyclone came through and wrecked the church building. We propped it up with poles, so we could continue to have church.

In about 1938 we bought our first acre for our cemetery from Jim Butler. Since then we have accumulated 10 acres for cemetery and preachers home. In about 1943 we decided to build a new building. Some said we couldn't do it. I told them if we would all pull together we could. So we began the second building and built it out of stone. The number increased so that we had to have more room.

In 1958-59 we began an addition to the old stone building. We now have an auditorium that is 50 X 100. Fourteen classrooms, preacher's study, two indoor restrooms, and a nice baptistry. Charles Kretzer was our minister at this time and the first to preach in the new auditorium.

Since 1920 I have been elder of the Shiloh Church of Christ. I am now the oldest member and elder here. Since the time I became elder, the number has grown from about 20 to an average of 350. I thank the Lord for the progress since that time. And that he has spared me these many years to be healthy and active in the church. I have seen many preachers come and go that have been impossible for me to mention. Some still living, some deceased, but have inspired me a great deal.

Signed: Herman Butler

SHILOH DEDICATES THIS DIRECTORY TO MR. HERMAN BUTLER

On the printing of this directory in March, 1980 Mr. Herman Butler (who is 87) and Emma Butler (who is 90) are both still with us. They are now in the Lauderdale Christian Nursing Home. Mr. Butler is still a very active person even though confined to a wheel chair. He knows all he meets and can call most every one by name. He is a joy and inspiration to all who meets and talks to him. He now has 21 grandchildren and 17 great-grandchildren.

We of Shiloh would like so proudly here in the 80's, as Mr. Herman stated in the 60's, say he is still our oldest member and we with great pride dedicate this directory to you, Mr. Butler.
